

Counselwell - About our Community

Last updated: March 2024

[Counselwell](#) is a vibrant community that supports the professional growth and development of busy in-house lawyers. Regardless of your level of experience, your industry, or the size of your legal department, chances are you're going through similar issues as other in-house lawyers and could benefit from the support of a community.

Here's a breakdown of what we currently offer our members:

1. Events	<ul style="list-style-type: none">→ Access to both virtual and in-person events (e.g. dinner events, social outings, conferences, webinars, member meetups, etc.)→ Events focus on networking, learning, and fun→ Accredited for CPD where applicable→ Access to recorded content where applicable
2. Community	<ul style="list-style-type: none">→ Access to our Slack community where you can access a brain trust of other lawyers who can provide advice and insights
3. PeerMatch	<ul style="list-style-type: none">→ Access to our PeerMatch program to get paired with a mentor, mentee, and/or peer for 1:1 biweekly meetings where you can openly discuss professional and personal topics like career management, substantive issues, etc.→ Note: We run this program in cycles every 3 months
4. Legal Tech Passport	<ul style="list-style-type: none">→ Access to special offers on legal tech to save your organization thousands→ 14+ deals include 10%-50% off software for contract management, legal project management, equity management, AI-assisted contract review and drafting, and entity management
